ABYSSINIAN

Breed Council

Fellow Abyssinian Breeders,

It is so hard to believe that another show season has come and gone. Abyssinians did well in the show rings this season. No one style or Type dominated another. It is clear, that there is room in the finals for many styles and looks.

I noticed that the aby breeders supported each other while being competitive, and that is great. Let's keep up the good work. Many smiles and conversations throughout the show hall and judging rings. It isso very nice to see that.

Unfortunately, we lost two aby breeders this season: Hartord Gillaspie and Kathy Dettwiler. They will be missed. Both did so much for our breed.

I would like to personally thank all the people who work for our breed and show them so beautifully. I would also like to thank from the bottom of heart all those who have worked so hard to put this booklet and awards together.

Also thanks to all who support the Abyssinian Breed Council.

Respectfully submitted,
Martha Auspitz
